

IT UNIVERSITY OF COPENHAGEN

Consent Form for Interview

November 2024

Print Name: _____
Are you over 13? _____

I have attended and participated in the interview in Copenhagen, Denmark, conducted by Yuliia Storm Larsen from the IT University of Copenhagen (ITU), during which recordings of the interview were made.

I hereby authorize ITU to make use of my voice recordings from the interview. I give my consent for these recordings to be used for press materials and articles in external media outlets, such as newspapers and magazines. I also consent to the content of my interview being used to conduct research on cyberwar activities. The results of this research, potentially including verbatim quotes from the interview, may be published in academic reports and other related communications. By signing below, I also understand that the content mentioned above will be processed in accordance with the EU-Council Regulation 2016/679, General Data Protection Regulation, which implies the following:

- The legal basis for this processing of my personal data is consent (for the images/videos) and public interest (for the interview contents).
- My images will be stored at ITU. My images can also be disclosed to other recipients such as Facebook, Instagram, Twitter, LinkedIn, YouTube, and Video23. Furthermore, the images will be disclosed to approved/authorized data processors that assist us with IT or other services.
- The contents of the interview will be transcribed, and the transcripts will be stored at ITU for research activities. To the extent possible, my name and other identifying data will be removed from the transcripts.
- My images and interview transcripts/recordings will be stored as long as they are used for the above mentioned specific purpose.
- I can withdraw my consent and ask ITU to stop using my images at any time, in which case they will be deleted upon my inquiry. I am aware that a withdrawal of my consent will not affect the lawfulness of the processing before the withdrawal.

For further information regarding our processing of personal data, please refer to our privacy policy at: <https://en.itu.dk/about-itu/privacy>
